

What To Do When Involved In An Accident

Keep calm, don't argue, accuse anyone or admit guilt!

(Stay in your car)

1. STOP IMMEDIATELY - do not block traffic if possible
2. TURN OFF IGNITION - to guard against fire
3. ASSIST INJURED - then call police
4. OBTAIN - the following information:
 - Other driver's and witnesses' phone numbers and address
 - Vehicle License numbers
 - Drivers License numbers
 - Year, make & model of all vehicles involved
 - Notify your insurance agent and file a police report
